Career Objective:

Seeking to be an excellent chemical engineer job in the field of chemical engineering, where I have very good academic background related to all topics, specifications and considerations which related to this field where I'm interested and where I like to achieve my ambitions.

Educational Qualifications: (Stream:) Chemical engineering

Exam	Year	College & Board	Main Subjects	Marks%	Remarks
B.tech.	2013-17	Hindustan college of science & technology, farah mathura	Heat transfer, chemical reaction engineering, fluid dynamics	63.33	Learn lots of ideas from engineering concept though
12th	2011	U.P. Board	Chemistry, Mathematics, Physics	68.20	Good learner of mathematics and chemistry
10th	2009	U.P. Board	Science, Mathematics	64.50	Good in science

Training:

Organisation	Training Topic / Assignment	Duration	Remarks
1. Safex Chemicals India Pvt. Ltd.	Study of plant, study of kiln production plant	2 weeks	Designing of heat exchangers
	Designing of shell & tube heat exchanger, condenser, handling	4 weeks	Application of unit operation in chemical plant
2. Symbiotec Pharma lab. Pvt. Ltd.	Of membrane press filter, handling of SRP, study of etp with advanced technology		

Professional Skills:

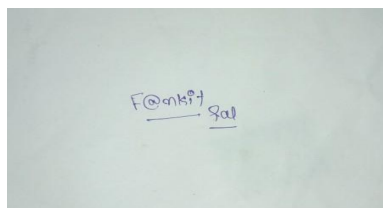

1. Designing of shell & tube heat exchanger & condenser
2. good in heat transfer concepts
3. handling of membrane press filter
4. basic knowledge of unit operation & unit operation effluent treatment plant
5. handling of solvent recovery plant
6. good in ms office
7. good in ms excel
8. good in power point presentation

Projects:

1. Electricity and water purification form Fresnel lens (2015-16)
2. Electricity from potato & measuring through ammeter (school project)
3. utilization of flue gases for making human eco friendly environment
4. Making heat exchanger for human body in some critical diseases.

5. Synthesis of edible polymer coating.	
6. utilization of unused plastic in manufacturing in plastic brick oh higher compressive strength	
7. mathematical modeling of seasonal variation in bio medical waste generation	
Hobbies :	
1.writing Hindi poems & sharyies	
2. I love to do solve mathematics problems and their alternatives..	
Additional Information / Achievements:	
1. Attend the workshop of Error 403 on ethical hacking (2016) . 2. Wining 3 rd prize in Abdul kalam innovation day(2015-16) 3. Join as a summer trainee at SYMBIOTECH PHARMA LAB Indore m.p. 4. I get fee waiver seat in HCST in chemical branch through upsee counseling. 5. I am participating in SHARDA TAJ MARATHON as a volunteer. 6. In my school education I get scholarship though cracking exam of MEDHABI and on the basis of that I get chance to meet and learn the science facts by some special scientist for five days at shalimarbag ,Delhi. 7. participate in ALL INDIA STUDENT'S CONFERENCE ON SPIRITUAL & SCIENCE QUEST at Mathura (hcst). 8. I have completed my 200 plus poems in recent five years. 9. Attend the workshop on Chemical engineering software in hcst , college by guidance of dr. Rajiv dohare .
